

For the last 25 years, The **MALCP** Golf Classic has been a successful fund raiser for various turf industry interests. Again this year we are happy to have the New England Sports Turf Manager's Association (**NESTMA**) as a partner in this event.

Proceeds collected from **MALCP** members will help continue to educate industry professionals, students and the general public. Past Golf Classic's have funded:

- IPM Lawn Programs
- IPM Turf Facts
- Turf Diagnostic Programs
- Dr. Joseph Troll
Turf Research Facility
- Direct Mail Information
- UMASS Stockbridge School and
other Scholarships

NESTMA proceeds will benefit
" The Terry Mellor
Memorial Education Fund "

Terry's brother, David Mellor, is Director of Grounds at historic Fenway Park

Join us and enjoy a well
deserved break from the
daily grind . . .
